Do you authorize the Government to incorporate the HCaTS Master Contract Modification FY23-1 July 2023 to the above selected contract(s)? ---------- By choosing YES, you AGREE to incorporate the HCaTS Modification FY23-1 to the above selected contract(s) as a "bilateral" modification. This form serves as the consent in lieu of the contractors' signature. *

- (●) Yes - I concur the changes as a result of the incorporation of the HCaTS Modification FY23-1 (July 2023)

No

Please share with us any questions or concerns regarding this modification. We will reach out to you via email to address your concern/question.

FAR 52.204-27 won't print from acquisition.gov for some reason. Apparently SAM.gov doesn't have this clause included (when we recently checked).

Any other general comment? Anything....we love to hear from you:
